PROFILE

Cyrille Gogny-Goubert is a senior associate, based in the Paris office and is French-English bilingual. He has extensive experience in the development, sale, purchase and leasing of real estate investments, or corporate entities owning real estate assets, including for joint-ventures. In 2011, Mr. Gogny-Goubert served as in-house Counsel on secondment to a leading real estate funds asset manager in Europe.

Representative Experience

- Drafting and negotiation of engineering, procurement and construction contracts on infrastructure projects including negotiation of a 420Mw combined cycle gas turbine in Eastern France.
- Preparation of public tenders, including advice on the contractual and corporate structure of projects, of the bonds structure and of contractual warranties.
- Preparation of tender documentation, warranties and financing advice to Governmental authorities and bidders on infrastructure and energy projects.
- Advising on complex real estate developments projects including the ownership structure, construction, sale, leasing and financing of the largest cinema studios development in France.
- Advising on sale, purchase and leasing of real estate assets or real estate pan-European portfolios.
- Advice to Town Planners on the structure of development operations, and advice on planning regulations and litigation.
- Advice to holiday resorts developers on contractual elements of project development.
- Negotiation of hotel management agreements for hotel owners and hotel operators.
