K&S London – Experience You Need, Where You Need It

BANKING AND FINANCE

We advise clients in both new and established financial transactions and structures, including acquisition financings, asset-based lending, core lender and borrower representations, cross-border investments, and Islamic financing.

CAPITAL MARKETS

The practice covers the full range of capital markets products and incorporates specialists in debt and equity capital markets, derivatives and structured finance, securitisation, corporate trust and agency, and high yield.

COMMERCIAL

We advise on all commercial contracts, including contracts covering outsourcing conducted through a detailed procurement process, services distribution, software licensing, development, products, marketing, manufacturing, supply, maintenance and support, white labeling, collaboration, joint venture agreements, and online terms and conditions.

EMPLOYMENT/BENEFITS

We advise in all areas of employment law, from recruitment to exits, counseling employers, acting on disputes and advising on transactional support matters.

ENERGY AND PROJECTS

We advise on energy and infrastructure transactions, including mergers and acquisitions, project finance, and project development across all natural resources.

GLOBAL DISPUTES

The practice has experience and expertise in all areas of dispute resolution, including investment treaty and international commercial arbitration, UK court litigation, ADR, corporate governance, and general contract and risk management advice, as well as investigations, among others.

M&A

We represent a broad array of public and private companies, private equity firms and financial sponsors, investment banks, governmental entities, and other institutions and individuals in almost every type of M&A situation.

REAL ESTATE

We advise on development and planning; projects and construction; large loan, mezzanine, A/B and preferred equity origination; loan workouts; NPL pool acquisitions; distressed debt acquisition (including loan-to-own strategies); investments; and investment fund formation, structuring and joint ventures.

REGULATORY

The team offers expertise and fresh thinking in areas such as the EU, competition, financial services, financial crime and data protection. The team helps protect clients from regulatory risks and addresses a wide range of issues critical to clients' business needs.

RESTRUCTURING

The practice represents institutional lenders and other secured creditors, buyers and sellers of assets in connection with distressed M&A transactions, consensual and contentious restructurings, insolvent reorganisations, schemes of arrangements, debt for equity swaps, and sovereign debt transactions.

TRADE

The practice provide expert advice on matters relating to trade regulation and export controls, guiding clients through international trade laws and the interplay with economic and trade sanctions regimes.

TAX

We work with clients on planning and executing business transactions arising in cross-border settings, including acquisitions, disposals, joint ventures, fund formations, *Shari'ah*-compliant transactions, tax financings, leasing, structure financing, returns to stakeholders and employee benefits.

In some jurisdictions, this may be considered "Attorney Advertising."
