

Los Angeles Office

Fact Sheet

King & Spalding's Los Angeles office has one of the most dynamic trial, investigations, transactional and regulatory counseling practices in California. Our industry teams are recognized by *Best Lawyers in America* with its highest Tier 1 ranking for Health Care Law, Environmental Litigation, Product Liability Litigation and Corporate Law, the CVN Top National Verdict of the Year for 2018, and six *Daily Journal* Verdicts of the Year. Distinguishing our firm, we are in trial every month, in jurisdictions across California and nationwide. Our deep and diverse bench of over 50 attorneys led by managing partner Peter Strotz includes many of the state's best trial lawyers including four former Assistant U.S. Attorneys and more than 20 lawyers rated among the nation's top attorneys by *Best Lawyers*, *Chambers*, *Law360* and *Legal 500*.

CLASS ACTION DEFENSE

We are a national class action practice in state and multidistrict litigation with decades of experience in defending claims of consumer fraud, breach of contract, breach of warranty, breach of fiduciary duty, unjust enrichment, claims under fair lending and credit reporting laws, data privacy and security, and disability discrimination claims.

COMMERCIAL LITIGATION AND ARBITRATION

Leading companies choose our commercial trial lawyers for their most important cases, including the energy, pharmaceutical, life sciences, infrastructure, technology and transportation industries. We have litigated before virtually every federal district judge in Los Angeles and Orange County, and many state court judges and arbitration tribunals in California.

HEALTHCARE AND LIFE SCIENCES

As one of California's largest and most diverse groups, our healthcare attorneys represent providers, suppliers and manufacturers in litigation and arbitration of managed care disputes, agency investigations and *qui tam* actions, recovering and saving our clients hundreds of millions of dollars. We also provide business and regulatory advice on complex issues under federal and state law, including fraud and abuse, FDA regulations and data privacy. In addition, our healthcare transactions team has successfully completed dozens of high profile and cutting-edge deals for top-ranked health systems, academic medical centers and government-owned facilities via mergers, innovative joint ventures, large-scale affiliations and other collaboration models.

King & Spalding LLP

Ranked as one of the leading firms in the U.S. in 50 practice areas

Named 2019 Law Firm of the Year with 7 Practice Groups of the Year

ENVIRONMENT AND NATURAL RESOURCES

A four-time winner of *Law360*'s Environmental Practice Group of the Year, our environmental lawyers comprise one of the most respected practices on the West Coast. Companies in chemicals, consumer products, energy, infrastructure, manufacturing, real estate and transportation turn to our advice for the full range of complex environmental, health and safety issues, and for environmental, toxic tort and land use litigation.

NATIONAL AND CALIFORNIA PRODUCT LIABILITY LITIGATION

Named Product Liability Practice Group of the Year by *Law360* for six consecutive years, our product liability lawyers have obtained defense verdicts in the automotive, medical device, toxic tort and heavy industry sectors in some of the state's most difficult jurisdictions. The group also serves as national coordinating counsel and national discovery counsel in Multi-District Litigation and Judicial Council Coordinated Proceedings.

SPECIAL MATTERS AND GOVERNMENT INVESTIGATIONS

Twice named White Collar Practice Group of the Year by *Law360*, our special matters team is led by former federal prosecutors dedicated to white-collar criminal defense, civil and regulatory enforcement matters, internal investigations, crisis management and compliance counseling on critical risk areas.

CORPORATE TRANSACTIONS

Highly Recommended by *Chambers*, our corporate transactions practice includes M&A, joint ventures and collaborations, strategic investments, finance and capital markets, licensing and commercial services agreements. We represent some of the state's leading industries including life sciences, technology, media, manufacturing and retail.
