Nominator's Comments:
"TaCara was recently promoted
from an eighth-year associate
to partner at King & Spalding
at a time when Black women
represent less than 1% of all
partners in U.S. law firms. She
represents the world's lead-
ing companies in large-scale,

uct liability litigation. While her
cases involve complex scien-
tific, medical, and regulatory

issues, TaCara is a "go-to" liti-
gator known for her ability to
creatively and strategically dis-
till those concepts into simple
narratives and defense themes
that are persuasive in motion
practice and compelling to a
jury at trial."
