

King & Spalding International LLP

Diversity Statistics for the London Office (2025)

This data is based on the self-identification of personnel of the London office of King & Spalding International LLP, in accordance with the collection and reporting of diversity data requirements of the Solicitors Regulation Authority ("SRA") of England and Wales.

Please note that this data was gathered through the 2025 SRA Diversity Questionnaire; a voluntary survey sent to all personnel of the London office of King & Spalding International LLP. As such, this data has been obtained solely from those who provided their data through the SRA Diversity Questionnaire (less than 50% of the London office) and so may not be representative of the overall office population.
