

Real Estate

The real estate industry faces many challenges with constant change in market conditions, structure and regulation. Our Real Estate team has a thorough understanding of these drivers, developments and shifts within the industry, allowing us to take a business-focused approach to find solutions to complex problems that others cannot.

Our team assists major commercial real estate players across the U.S. and in over 50 countries, including owner-operators, investment managers, private funds, investors, public and private REITs, lenders and borrowers, in structuring and executing the full spectrum of complex real estate transactions, including:

- acquisitions, dispositions, financings
- complex joint ventures
- real estate funds
- real estate development
- real estate mergers and acquisitions
- financial restructuring
- public and private capitalization strategies
- domestic and cross-border tax structuring
- Islamic finance

Located where our clients need us around the globe, we have been recognized for our work in the U.S., Europe, the Middle East and [Latin America](#).

Our Real Estate team advises U.S. and non-U.S. clients in managing domestic and cross-border transactions related to many industries, notably projects and investments involving [energy](#), infrastructure, hospitality and [healthcare](#) businesses.
