

# Securities Enforcement and Regulation

---

Our Securities Enforcement and Regulation practice advises leading public companies, financial institutions, regulated entities, boards of directors, auditors and senior executives, officers and directors in all types of securities law enforcement matters. These representations often remain non-public due to successful resolution without any action against our clients. Alternatively, when regulators or law enforcement are determined to bring an action, we are highly experienced in negotiating favorable resolutions or in effectively litigating the case, as circumstances warrant.

We also routinely conduct internal and independent investigations on behalf of companies, audit committees and other board committees. Additionally, we proactively advise clients on compliance matters. For public companies this may include disclosure and internal controls design, whistleblower, clawback, insider trading, and anti-bribery policies and all manner of corporate governance concerns. For regulated entities, we often assist with designing and testing compliance policies and procedures, preparing for and responding to regulatory examinations and assessing new or differentiated products with respect to both regulatory and market risk. We closely monitor regulatory rule-making and assist our clients with preparing for and complying with these new rules.

Our team includes numerous experienced practitioners, including former senior officials at the SEC, DOJ, PCAOB and FINRA. We regularly and successfully appear before the SEC, DOJ, PCAOB, CFTC and FINRA, as well as state regulators and foreign authorities. At any given time, we are representing clients in dozens of active investigations before these agencies involving matters related to public company accounting and disclosure, securities trading and
