

Atlanta

As the flagship office dating back to King & Spalding's 1885 founding, Atlanta offers on-site specialization in most of the firm's practice areas. Many of our longest-running client relationships and long-established public service initiatives have Atlanta origins.

Our Atlanta lawyers represent many large U.S. and multinational corporations, including The Coca-Cola Company, a King & Spalding client for nearly a century, Delta, GE, Home Depot, SunTrust Bank and UPS. In addition to global corporate leaders, we represent many middle market, entrepreneurial and high-growth companies and their financial backers, leveraging our global platform and providing practical, cost-effective and valuable solutions to their most important legal and business matters.

Our team on Peachtree Street also is proud of its leadership role in the civic, cultural and philanthropic life of Atlanta.

Our lawyers and staff provide financial support and invest significant time as volunteers and board members for many of Atlanta's finest community organizations, including United Way, Atlanta Legal Aid, The Woodruff Arts Center and the Metro Atlanta Chamber.
