

## San Francisco

---

King & Spalding's San Francisco office advises clients on tort and environmental, business litigation, life sciences, intellectual property, FDA regulatory, energy, technology and corporate matters of all types. Our San Francisco attorneys are leaders on tort issues, in particular on behalf of life sciences and energy clients, and our media and entertainment practitioners are second to none, frequently breaking new legal ground on digital media licensing issues.

Our San Francisco life sciences attorneys are litigators and regulatory specialists, who deliver expertise for our clients in tandem with our top-ranked, firmwide FDA and Life Sciences practice. On corporate matters, the San Francisco office provides highly technical and sector-savvy counsel to clients in the technology, biotechnology, pharmaceutical and medical device industries as they develop, safeguard and commercialize their innovations. In addition, the office's associated attorneys in Sacramento have substantial expertise on healthcare litigation, investigation and state and federal regulation issues.

Our San Francisco team works closely with, and is supported by, leading lawyers from across King & Spalding's platform of 20 offices worldwide, including lawyers in the firm's Los Angeles and Silicon Valley offices.
