Daniel Kahan is partner in King & Spalding’s Corporate, Finance and Investments practice. His corporate transactional practice focuses on venture capital and private equity investments, mergers and acquisitions, divestitures and spin-offs, debt and equity offerings, and corporate governance matters. Mr. Kahan also regularly advises clients in strategic technology transactions, including professional service agreements, software-as-a-service agreements, sourcing agreements, transition service agreements, distribution agreements, reseller agreements, and intellectual property licensing matters.

Mr. Kahan has worked with companies, entrepreneurs, venture capital investors, private equity investors, and strategic corporate investors and acquirers across a range of sectors, including enterprise software, software and cloud infrastructure, fintech, blockchain, insurtech, cybersecurity, e-commerce, hardware, life sciences, healthcare, and travel.

Mr. Kahan is a frequent writer and speaker on startup, fintech, and blockchain topics. He has been recognized by *Legal 500* in its Venture Capital and Emerging Companies category, with clients describing him as “exceptional” and noting that he “understands clients’ businesses well and provides practical, timely advice.” He has also been recognized by *Super Lawyers* as a “Rising Star” from 2014 - 2020.
