Matters

Won an award for declaratory relief worth over USD 4 billion in an ICC arbitration on behalf of **two international oil majors** against a Southeast Asian government arising out of a revenue-allocation dispute under a gas service contract.

Representing **Shell** in a multibillion dollar ICSID arbitration against the Republic of the Philippines under the Netherlands-Philippines bilateral investment treaty. The dispute concerns revenue allocation for the Malampaya gas to power project. We recently obtained provisional measures in favour of our client.

Representing **Chevron** in multibillion dollar UNCITRAL arbitration against the Republic of the Philippines under the Switzerland-Philippines bilateral investment treaty. The dispute concerns revenue allocation for the Malampaya gas to power project.

Representing **two Singapore companies** in an investment treaty dispute against a North Asian State arising out of a mining project.

Representing a major **Philippine conglomerate** in an SIAC arbitration against its Indonesian joint venture partner, arising out of a dispute over shares in a Dutch venture that owns and operates the major toll roads in and around Manila.

Representing a **South East Asian mining company** in an SIAC arbitration in Singapore against its joint venture partner. The dispute concerns the termination of the joint venture agreement and the ownership of shares.

Representing a **South East Asian company** against a South East Asian Government in an ad hoc arbitration arising out of a light rail project.

Won an USD 85 million award for **ConocoPhillips** in an UNCITRAL arbitration concerning the proper tariff charged by a gas pipeline in Indonesia. The case involved the application of a contract various representations and warranties to hold the gas transporter liable for a tariff increase decreed by Indonesia's pipeline regulators.

Representing **Garanti Koza**, a UK construction contractor, in an ICSID arbitration against Turkmenistan arising out of violations by Turkmenistan of its obligations under the UK-Turkmenistan BIT. Our client recently defeated Turkmenistan's objection to jurisdiction in a pioneering decision by the Tribunal based on the BIT's most favoured nation provision and prevailed on the merits.

Representing **Astro All Asia Networks and South Asia Entertainment Holdings** in two UNCITRAL arbitrations against India under bilateral investment treaties. The dispute concerns mistreatment by India of our clients' investments in the satellite television and radio sectors in India.

Representing an **Asian production sharing contractor** in multiple disputes against the host government all subject to ad hoc arbitration in Asia.

Representing an **oil major** in cost recovery disputes against an Asian host government.

Representing **Dow Chemical Company** in an ICC arbitration in London against Petrochemical Industries Company, which is wholly-owned by the State of Kuwait, arising out of a wide-ranging joint venture agreement. English law governed. The tribunal awarded our client damages, interest and costs of over USD 2.48 billion – one of the largest arbitration awards in history. Dow received USD 2.2 billion in a direct cash payment from PIC in May 2013.

Representing an **Asian construction contractor** in an ICC arbitration in Geneva against a European subcontractor concerning an LNG project in Asia.

Representing a **downstream subsidiary** of an oil major in an ICC arbitration in Singapore against one of its Indonesian distributors. Indonesian law governed. Our client obtained the dismissal of all claims and an award of most of its costs.

Representing a **European industrial company** in an ICC arbitration in Zurich against a Korean company concerning a joint venture in China. Korean law governed.

Representing **two Vietnamese textile companies** in an ICC arbitration in Singapore against a North American company concerning a joint venture in Vietnam. Vietnamese law governed.

Representing a **Russian industrial company** in an ICC arbitration in Istanbul against a French company, arising out of the opposing party's failure to close the sale of a business. Turkish law governed.

Representing a **US private equity house** in an UNCITRAL arbitration in Singapore against an investee company from South Asia. Our client prevailed on all its claims.

Representing an **Asian automobile manufacturer** in an ICC arbitration in Singapore against a Middle Eastern distributor. Korean law governed. All claims against our client were dismissed and an award of costs was made in our client's favor.

Representing a **South East Asian investor** in an arbitration against a South East Asian state under the ASEAN Investment Agreement. Over USD 100 million is in dispute.

Representing **African State** in an ICSID arbitration brought by European investor.

Representing **North American investors** in an ICSID arbitration against Egypt.

Representing **Malaysian Historical Salvors** in its successful action to annul an ICSID award made in favour of Malaysia.

Representing **SGS** as claimant in its ICSID arbitration against the Republic of the Philippines, resulting in a settlement of CHF 150 million (of CHF 174 million claimed).

Representing **European investors** in an SCC arbitration brought under the Energy Charter Treaty.

Expert Consultant for the World Bank on the reform of the international arbitration regime in Vietnam.
