

Jarred L. Reiling

Associate

FDA and Life Sciences / Product Liability

Chicago: +1 312 764 6912

jreiling@kslaw.com

Jarred Reiling focuses on FDA regulatory compliance and related litigation. He also has experience in medical device and pharmaceutical products liability defense, healthcare white collar investigation and defense, Congressional investigations, mass-tort litigation, MDLs, complex civil litigation, and commercial litigation. He has represented clients in a wide range of matters at the trial and appellate level in state and federal courts, as well as before the U.S. Department of Justice. His clients have included national and international pharmaceutical, medical device, and cosmetic companies, as well as pharmacies, hospitals, universities, and private equity firms.

Jarred's experience extends to a wide range of subject areas, including medical devices and tobacco; investigation and litigation under the False Claims Act, Stark Law, and Anti-Kickback Statute; and product liability litigation.

Matters

Representing life sciences companies in connection with House and Senate committee inquiries and ethics investigations.

Represented an academic medical center in a False Claims Act investigation involving allegations of violations of the Medicare provider-based facility rule.

Represented a hernia mesh manufacturer in a multi-district litigation with over 1,000 plaintiffs, in addition to numerous "one-off" cases across the country.

Represented a compounding pharmacy, engaged in telemedicine, in a False Claims Act qui tam action involving allegations of violations of the Anti-Kickback Statute, the Stark Law, and the Food, Drug & Cosmetic Act.
