

## Jonathan N. Katz

Partner  
*Corporate, Finance and Investments*

---

Houston: +1 713 751 3262  
jkatz@kslaw.com

Jonathan Katz focuses exclusively on the representation of owners and developers in their construction projects. As a partner in the Global Transaction group, Jonathan represents clients in a wide range of domestic and international projects, primarily in the oil and gas, LNG, power, and petrochemical sectors.

Jonathan has experience drafting engineering, procurement and construction (EPC), construction management, construction, engineering, industrial services, operating & maintenance, and procurement agreements.

### Matters

#### Power Projects

**Birdsboro Power, LLC** in the drafting and negotiation of a long-term service agreement for its 488 MW natural gas-fired power generation facility in Berks County, Pennsylvania.

**St. Joseph Energy Center, LLC** in the drafting and negotiation of an EPC agreement for a greenfield, 700 MW, combined-cycle, natural gas-fired power generation facility in New Carlisle, Indiana.

**Clean Energy Future-Lordstown, LLC** in the drafting and negotiation of EPC agreements for a greenfield, 940 MW, combined-cycle, natural gas-fired power generation facility and switchyard in Lordstown, Ohio.

**Oregon Clean Energy, LLC** in the drafting and negotiation of an EPC agreement for a greenfield 860 MW, combined-cycle, natural gas-fired power generation facility in Oregon, Ohio, winner of IJ Global's 2015 award for best project in the North America Single Asset Power category.

**A Developer** in the drafting and negotiation of an EPC agreement for a greenfield, 610 MW, combined-cycle, natural gas-fired power generation facility to be located in Pennsylvania.

#### LNG Projects

**Jordan Cove LNG** in the drafting and negotiation of FEED agreements and EPC agreements for its proposed liquefied natural gas export terminal and storage facility to be located in Coos Bay, Oregon.

**Anadarko** in the drafting and negotiation of EPC agreements for the development of a multi-billion dollar liquefaction and offshore facilities in Mozambique.

**Freeport LNG** in the drafting and negotiation of long term service agreements in connection with its LNG liquefaction expansion near Freeport, Texas.

**A Developer** in the drafting and negotiation of FEED agreements for a proposed liquefied natural gas export terminal and storage facility to be located in Canada.

### **Petrochemical Projects**

**Sadara Chemical Company** (a joint venture of Saudi Aramco and The Dow Chemical Company) in the development of a petrochemical facility in Saudi Arabia, valued at \$20 billion and considered the largest petrochemical facility ever built in a single phase.

**Sasol** in the development and construction of its \$8.1 billion chemical complex in Lake Charles, Louisiana, winner of IJ Global's 2015 award for best project in the North America Petrochemical category.

**LACC LLC** (a joint venture of Axiall and Lotte Chemical) in the drafting and negotiation of FEED and EPC agreements for a multi-billion dollar ethane cracker in Lake Charles, Louisiana.
