Jules Quinn focuses on labor issues, particularly in global operations. As a partner in our Labor and Employment practice, Jules represents major corporations and financial institutions in a variety of labor-related matters.

Jules brings particular experience in international project management to her work with companies headquartered outside of the UK, particularly U.S.-based corporations with global operations. She often works alongside in-house counsel or senior management with responsibility for EMEA acquisitions, mergers, employee transfers and the downsizing of European workforces.

Jules is a frequent lecturer and commentator in the UK national press on a wide range of topics, most recently on cyberbullying and social media. She has been ranked in *Chambers UK 2017* and *Chambers Global 2016* for employment law, as well as in the 2015 edition of *Legal 500*.
